## WHY THE BRITISH VIRGIN ISLANDS

The British Virgin Islands has built a reputation as an international business and finance centre and a world leader in incorporations. It is the jurisdiction of choice for those looking to structure cross border deals with tax neutral consequences. It is trusted by so many because it maintains the regulatory framework and the specialist services needed to support such activity. ILS World is proud to have been operating in the BVI for more than 25 years assisting individuals, organisations and businesses.
